DOCKET NO. 2006-174-E

September 5, 2007

IN RE:)	
)	PROGRESS ENERGY CAROLINAS,
Carolina Power & Light Company, d/b/a)	INC.'S PETITION FOR FURTHER
Progress Energy Carolinas, Inc. Petition for)	EXTENSION OF TIME TO FILE
Further Extension of Time to File Resource)	RESOURCE PLAN
Plan)	

Pursuant to Public Service Commission of South Carolina ("the Commission") Rule 103-825, Carolina Power & Light Company, d/b/a Progress Energy Carolinas, Inc. ("PEC"), petitions the Commission for a further extension of time until December 3, 2007 to file its Annual Resource Plan. In support thereof, PEC shows the following:

1. PEC is an electric utility, generating, transmitting, distributing, and selling electric power in the state of South Carolina, subject to the jurisdiction of this Commission. PEC is a North Carolina Corporation, domesticated to conduct and conducting business within the state of South Carolina.

2. The attorney authorized to receive communications and pleadings relevant to this Petition is:

Len S. Anthony
Deputy General Counsel, Regulatory Affairs
P. O. Box 1551
410 South Wilmington Street
Raleigh, North Carolina 27602
Telephone: (919) 546-6367

3. Order No. 93-845, issued by the Commission in Docket No. 87-223-E on September 10, 1993, requires PEC to file its annual Resource Plan by June 30 of this year.

4. On June 15, 2007, PEC filed a Petition with the Commission seeking an extension of time to file its 2007 Resource Plan until October 1, 2007 in order to allow it sufficient time to incorporate new demand-side management and energy efficiency programs and details into its 2007 Plan. On July 11, 2007, the Commission issued its directive, followed by Order No. 2007-508 on August 2, 2007, granting PEC's request for an extension of time until October 1, 2007 to file its Annual Resource Plan.

5. On August 27, 2007, Duke Energy Carolinas filed a Motion with the Commission seeking an extension until December 3, 2007 to file its Annual Resource Plan. On August 29, 2007, the Commission voted to grant Duke Energy Carolinas Motion.

6. By Order issued August 28, 2007, the North Carolina Utilities Commission granted both Duke Energy Carolinas and PEC an extension of time until December 3, 2007 to file their Annual Resource Plans with the North Carolina Utilities Commission.

7. As explained by Duke Energy Carolinas, in its motion for an extension of time, on August 20, 2007, North Carolina Governor Easley signed into law comprehensive energy legislation known as "Senate Bill 3." Among other provisions, Senate Bill 3 contains a renewable energy and energy efficiency portfolio standard, which mandates an increase in reliance upon renewable energy and energy efficiency resources throughout the planning horizon of the 2007 annual plan. The requirements of

newly enacted North Carolina Senate Bill 3 require additional analysis of DSM, energy efficiency and renewable energy resources which cannot be completed prior to the October 1, 2007 Annual Resource Plan filing deadline.

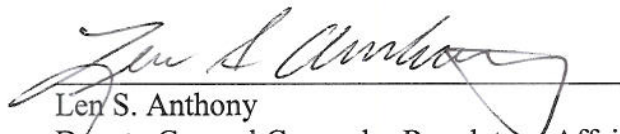

8. Given the enactment of Senate Bill 3 and the additional requirements it imposes upon PEC with regard to energy efficiency, demand-side management and renewable energy resource generation, the fact that the North Carolina Utilities Commission has granted both PEC and Duke an extension of time until December 3, 2007 to file their Resource Plans with the North Carolina Commission and the fact that the Commission has granted Duke Energy Carolinas an extension of time until December 3, 2007 to file its Annual Resource Plan with this Commission, PEC requests a further extension of time until December 3, 2007 to file its Annual Resource Plan.

9. Representatives of the South Carolina Office of Regulatory Staff have been served with a copy of this filing.

WHEREFORE, PEC requests that the Commission grant it a further extension of time through and including December 3, 2007 to file its 2007 Annual Resource Plan.

This the 5th day of September, 2007.
